

3-PART SPLIT INT. ARCHITRAVE TIMBER DOORFRAME

A 3D exploded view of a wooden cabinet assembly. The assembly consists of three main panels: a front panel, a side panel, and a back panel. The front panel is light-colored wood with a metal handle. The side panel is dark-colored wood. The back panel is light-colored wood with a metal fastener. The panels are shown in an exploded view, indicating they are separate components that fit together.

Technical drawing of the 1000 Series Single Wall Mounting Bracket. The drawing shows a side view of the bracket assembly. Key dimensions and components are labeled:

- Dimensions:**
 - Min. 82 (Overall height)
 - 44 (Bracket height)
 - 12 (Bracket thickness)
 - 47 (Bracket width)
 - 12 (Mounting plate thickness)
 - Dimension Varies (Mounting plate height)
- Components:**
 - Bracket (Brown)
 - Mounting Plate (Grey)
 - Mounting Screws (Two shown)
 - Adjustable Feet (Two shown)
 - Adjustable Leveling Feet (Two shown)
